A very warm welcome to

We are delighted to welcome you to Belsay International 2023 in the year of our 10th anniversary. Back in 2013 when we took over from Hexham Horse Trials, with the help of Edward and Jane Pybus, the world was a very different place! We certainly did not imagine that ten years on (with five Prime Ministers, a global pandemic and a new King) Belsay would be not only an International Event but one hosting six FEI classes including two British Championships – for Ponies (riders under 16 on ponies) and Juniors (riders under 18 on horses).

Those familiar with Belsay will know that we try and improve our event year on year. We are only able to do this with the support of our brilliant corporate sponsors led by Barbour and including Womble Bond Dickinson, Galbraith, Ryecroft Glenton, Lycetts, Brewin Dolphin, The Apartment Group, Jobling Purser, JR Holland, Millers Auctioneers, Charles Nicholson Wealth Management, Cussins Homes, InXpress Tyne & Wear, Carrs Billington, Shortflatt Tower and Mowden Hall School. This year we also welcome Evelyn Partners to Belsay.

Our huge thanks also to Project Pony, title sponsors of the British Pony Championship here at Belsay. Not only have they supported our welcome party for the Pony and Junior Championship riders but this year we have a new initiative – “Project Pony All Stars at Belsay” – a team competition putting young riders together with professional and experienced amateur competitors with a fantastic prize pot of £3,000 for the senior riders in the top three teams. And there are plenty of prizes for our Pony and Junior Riders too.

Another warm welcome goes to our Official Equestrian Partners. Saracen Horse Feeds and Voltaire Design, joint sponsors of the British Junior Championship – both are here with trade stands. Voltaire are generously giving a saddle to the Junior Champion and Saracen will be providing samples of their special Recovery Mash to all competitors’ horses at the Cross Country finish. Houghton Country are a new Equine sponsor at Belsay this year, supporting our CCI1* class and also providing all the prizes for our Arena Eventing competition. Eco Voltz are here once again with their fabulous all terrain bikes and we are looking forward to unveiling the winner of the Eco Voltz Unsung Hero Award, now in its second year.

Our thanks to Escadron and Pikeur, new to Belsay as sponsors of our Welcome Party for Senior competitors alongside Shaw’s Iberian Bar. Another new Equestrian Partner is Bariton Horseboxes, here with their fabulous trade stand, who are responsible for the wonderful makeover on our own Belsay horsebox. Equine Products UK, long time supporters of Belsay, are here with their trade stand and sponsor the XC start box, and also provide goody bags to our international competitors. Thanks also go to Happy Equine, Silvermoor Haylage, Laland & Bo and I Think I Should for providing competition prizes.

Last year we introduced the Northumberland Challenge, a fantastic prize accumulator across Belsay, Alnwick Ford and Burgham International Horse Trials. This year, with the help of our generous sponsors A.W. Jenkinson Forest Products Ltd, NIS Group Ltd and Encon Technical Solutions Ltd, we have been able to extend the Northumberland Challenge across both the CCI2*-S and CCI3*-S competitions with a total prize pot worth £45,000.

As well as our British Eventing classes, our Castle and Hall Arenas feature National Schools Equestrian Association (NSEA) Show Jumping on Friday and the British Show Pony Society Working Hunter Show on Saturday, with Arena Eventing, Young Horse Performance Classes and Belsay’s infamous Inter-Hunt Relay on Sunday. Please go and visit all of our wonderful trade stands, our family entertainment, archery, and not forgetting the now extremely popular Belsay Dog Show which runs all weekend.

We are extremely proud of the amount of money that we raise for charity every year at Belsay. This year our chosen charities are the British Eventing Support Trust and Spinal Research. We are extremely grateful to charity ambassadors Nicola Wilson, Oliver Townend, Tina Cook and Yasmin Ingham who are all here at Belsay and helping to raise awareness of these wonderful charities. We ask you to please give generously.

Finally the biggest thanks to the beating heart of this event – the competitors and the Volunteers! We thank the competitors for coming and our volunteers for everything that you do to make it all happen! Enjoy....

Best wishes,

Laura & Peter de Wesselow

A special thanks to:

The Trustees of The Belsay Trust, Timmy Norton, The Renwick Family, The Waddell Family, English Heritage, all our sponsors, volunteers, stewards & jump judges, and last but by no means least, our very hard working BHT Committee.

The British Eventing Support Trust

The British Eventing Support Trust provides invaluable support for injured event riders and to improve the safety and wellbeing of the people at the heart of our sport.

The trust aims to help riders through difficult times, whether that be recovering from an eventing accident or coping with mental health challenges. It also seeks to promote, research, develop and implement initiatives which will help maintain the overall safety and welfare of our riders.

A number of high-profile riders are already lending their support to the work of the Trust; including Tokyo Olympic Gold medallists, Oliver Townend, Tom McEwen and Laura Collett. Badminton Winner Laura knows first-hand how invaluable a helping hand can be when things go wrong – she benefitted greatly from being able to use the services at the Injured Jockeys Fund’s facility, Oaksey House, following a serious fall back in 2013. Lycetts, one of Belsay International’s longest serving sponsors, has been instrumental in the launch of the BE Support Trust.

PROJECT PONY

Project Pony is an initiative which aims to identify and support up and coming young riders with a realistic ambition of competing at the top level, in particular by giving them the chance to ride elite eventing ponies.

Project Pony was born from the love of this thrilling and exhilarating sport and the desire is to give a little back by opening the door to young, determined athletes who might not otherwise get the opportunities their ability deserves. In short, Project Pony is all about giving talent a chance in the sport of eventing.

With some very exciting ponies and riders already in our team, and a number of new plans in the pipeline, we would be delighted to discuss with individuals, owners and businesses how they too could become involved.
