The Jobling Purser Inter Hunt Relay

Rules and Conditions of Entry

Teams of four from each hunt to include one junior under 25 years and one quaddie (who must be 18 years old or over and hold a full driving licence). Two other riders make up the team. A rider over 45 years is encouraged, where possible. There will be a mirrored course set up (so two teams can compete at the same time) of mainly working hunter style jumps, approximately 85cm, and to include one or more non jumping tasks. Each team will run at least twice in a points league format. Jumps may be raised to approx. 95cm in the second round.

Each team should provide a hunt whip to use as a baton and all members must be dressed correctly for a day's hunting. This is a timed competition, and the starting order will be drawn.

The competition will be run as a knock-out relay and the time taken from the start of the first rider to the finish of the final competitor (the quad). 5 seconds will be added to the time for a knockdown. If the whip is dropped the competitor must dismount, pick it up, re-mount and continue.

If a competitor is eliminated for three or more refusals another competitor must complete their round for them. In the event of a fall by rider, the time will keep ticking but penalties won't be added. At discretion of the judge/medical team, the rider may continue once remounted. Another rider can continue the course in their place once the rider is up and, on their feet, when it's safe to do so. In the event of a horse fall, the team will be automatically eliminated.

Entries by 20th May 2024. Entries will be £60 a team, which includes £10 medical cover

All entry forms must be signed to indicate acceptance of the rules of this show.

There will be a cash prize of £200 to the winning hunt, together with prizes and rosettes. There will be a prize for the best turned out, judged by Evan Jobling Purser.
